

CURRENTS IN ART

The image shows the front entrance of a modern, multi-story building. The building has a light-colored, possibly concrete or stone, facade with a grid-like pattern of rectangular panels. Large windows with dark frames are arranged in rows on each floor. The entrance is a recessed area supported by two thick, light-colored columns. Above the entrance, the name of the institution is inscribed in capital letters. The ground in front of the entrance is paved, and there is some green grass on the sides.
